(the blind tailor). A number of prizes are strung on a line stretched from tree to tree, and the children with bandaged eyes and armed with scissors, allowed to cut off whatever they could. Many ridiculous toys and valueless articles are among the prizes asspended there, and the disappointment of some is beyond adequate description. We all know how eagerly in our youth we were worl't to approach in our youth we were worl't to approach in readiness for picnic or festival pursue of the highest order, and to them unites a rare talent and very easy address. That he will acquit himself well to-day none can doubt who know him. He will reflect credit on himself and do honor to an occasion the grandest in our printers' calendar.
